## A Welcome from Our President

Welcome to Moye!! This year is looking to be an exciting one. We are welcoming many new families to Moye and are lucky to have so many of our returning families back with us as well. No matter who you are or how long you've been at Moye, our goal is to make you feel right at home.

Moye PTO is extremely active. We work closely with the school staff to help create a nurturing and supportive, learning environment for the students. With the help of our parents, our PTO is able to host many fun events for our families. Be on the look out for our Family Nights, our book fair events, our holiday activities, the Read & Run Marathon, assemblies and the doozy, our Spring Fling!

You'll also notice the PTO presence in the classrooms as well. Our teachers use subscriptions and other learning tools paid for by the PTO. They also welcome the Get Smart with Art program in their classrooms monthly, help support our recycling program as well as other needs our PTO has.

Our PTO meetings are held monthly. They are the 2<sup>nd</sup> Tuesday of each month and begin at 6:30pm. Most will end by 7:30-8:00pm and childcare is provided. Since every parent at Moye is a member and there are NO FEES, we hope you'll consider joining us at the meetings. Insights, opinions and perspectives from all are always welcomed.

However, no matter if you attend meetings, our PTO could always use your help. There are many ways you can help. Share your talents, interests and abilities with us and we will help you find your niche. No time or talent is too small and your children will love knowing you helped. Just watch their faces light up when they see you at school, in the classroom or when they turn something in done at home, which was done to help the teacher or PTO.

Throughout the year, I'll be consistently asking for your time and talents. The PTO will be offering events and items for sale, and I'll even ask for a few donations. Please don't mistake my diligence as annoying. I'm just passionate about our PTO because I know first hand all it offers to our children, our teachers and our school. I also want to assure you that all the money we earn is invested back into our school, our teachers, our playground, our families and most importantly, our students.

Our newsletter will come home monthly and you can expect me, regularly in this same exact spot! I encourage you to read the newsletter each month as it will be full of exciting information to keep you "in the know." If at any time you have questions or concerns, you may contact me or any of the PTO Board Members. We look forward to working with you, continuing Moye PTO's legacy of enriching our student's academic lives.

*Here's to the 2009-2010 school year!*
