## A NOTE FROM OUR PRESIDENT

I can't believe, here we are one month into 2009. Where does time go?

I hope you all have recovered from the holidays and are getting back in the swing of things. Your PTO is ready to welcome in the New Year with many exciting events.

Our Moye Night at FUNSPOT turned out nicely. We had 94 skaters which included moms and dads as well as the kids. Check out the PTO website for a glimpse of some of the fun.

The next two months at Moye are full of excitement, information, community mindedness and camaraderie. You'll want to be on the look out for details of our upcoming dining out fundraisers (Papa Vito's and Smokey Bones), our Kindergarten Musical, the next and last Spirit wear sale, our NetSmartz Internet Safety Meeting, the annual food drive, our "Firefighter" thank-you dinner and the Family Reading Night. This year Family Reading Night will be themed around "sports" and is sure to be a HIT!

As you can see the PTO keeps pretty busy. Of course, it could not be done without the many volunteers who help make it all happen. The time is nearing when we will ask for volunteers to head up committees and take over board positions. If you have been thinking about getting involved but not sure how, please call me. We'll figure out what's perfect for you. However, if you already know you'd like to help and know what you'd like to do... *what are you waiting for?*... it's never too early to step up and step in. We'd love your help!

If I don't see you before, I hope to see you at the PTO Meeting in February on the 10th. Please note, we are back to evening meetings (7pm) and will have childcare available.

## EXTRA! EXTRA! READ ALL ABOUT IT!

The Moye PTO is very pleased to announce an exciting new partnership with the Young Chefs Academy (YCA) of O'Fallon, IL.

As many of you may not know, YCA has been teaching and entertaining kids for almost 2 years. They offer cooking classes and other activities for children. In this unique learning environment students use their reading and math skills, and are exposed to new information in the areas of history, geography, and food nutrition. Students are encouraged to be creative, have fun and be open to the discovery of new types of food.

Through the end of this school year, **YCA has graciously offered to give a 5% rebate to the PTO on all class fees for students of Moye, and**
