~President's Corner~

September was incredible! The PTO experienced a first this month. The first ever INDOOR Moye Movie Night. Mrs. Williams was generous enough to allow us to avoid the elements and head inside to enjoy popcorn, lemonade, and Phineas & Ferb: Across the 2nd Dimension. Also a first, the kids voted on which movie they wanted to see. The cafeteria was full of excitement! I hope you were able to be part of this family fun event.

Entertainment Book sales ended. Moye PTO receives about \$15 per book sold! The Scholastic Book Fair just ended last week. Don't worry if you missed it because you can attend the fair online! Look for more information on how to access the virtual book fair in this newsletter. The Book Fair was highlighted by Donuts with Dad and Family Night. It is truly amazing how excited the kids are to read and how one book can make a huge impact. Of course, *Trivia Night & Auction* preparations began, but we still need LOTS of volunteers. If you'd like to help, please give me a call.

The first PTO meeting was held on Tuesday, September 13. The meeting was quite successful. There were about 20 parents in attendance as the board was introduced, the budget was read and approved, committee updates were shared, and some decisions about the upcoming year were discussed and made. I would love to see more parents at the next meeting which is Tuesday, October 11th at 6:30pm in the library. Your input and opinions matter, so please join us!

October holds just as much potential as September. Get Smart with Art begins! Parent volunteers will once again be volunteering in the classrooms to bring art education to the students of Moye. We will also have Dinner at Boston Market and at Papa Murphy's. Remember to support our teachers at McTeacher night on Tuesday, October 5th. Halloween Parties are on Monday, October 31 at 10:30am. There are no costumes, but everyone scares up a good time in the classroom with supplies furnished by PTO and Room Parents.

Thank you for helping make Moye a wonderful school! Check out our website for photos, events, forms, and much, much more.

HELP NEEDED!!!

Our Get Smart with Art Program is in need of volunteers!
Since Art is not a part of our school's daily curriculum, we need parents to help.
For a regular volunteer it's only ONE hour, ONCE a month!
It's amazing how much the kids enjoy this special time, learning about various artists.
We are also in need of lead parents for the 1st, 4th & 5th grade classes.
You don't have to be artistic! You only have to present the artist & assist the kids as they create THEIR OWN masterpiece! Help us save this valued program!
If interested, please contact Robyn Ward: ward3mrl@aol.com or 628-1496/407-1496
