A Welcome from Our President

Wow! It's hard to believe that another school year is upon us. Let me start by introducing myself. My name is Jennifer Anderson, and I am the PTO president at Moye. On behalf of the PTO, I'd like to welcome all families, new and returning, to Moye for the 2011-2012 school year. I hope that all of you are as excited as I am about all of the opportunities and activities the PTO has to offer this year.

The PTO at Moye is committed to enriching the school experience for students by working with faculty and staff to help create a nurturing and supportive learning environment. Together, we encourage reading and exercise through the **Reading Counts** program and the **Read and Run Marathon**. The PTO provides funds for classroom magazine subscriptions, learning tools, assemblies, and buses used for field trips throughout the year. Once a month, teachers welcome PTO volunteers into their classrooms to lead the students in **Get Smart with Art**. We also emphasize the importance of giving back to our community and protecting the environment through programs such as **Recycling, Cold Hands/Warm Hearts, Food Drive, and Kids Care Campaign**.

We offer many fun activities for students and families as well. With the help of many volunteers, the PTO hosts Special Programs for students, **Family Night at the Book Fair, Family Reading Night, Movie Night, student birthday celebrations, Donuts with Dad, Breakfast with Santa**, and, who could forget, **SPRING FLING!!** Moye PTO meetings are the 2nd Tuesday of each month at 6:30pm (except for Thursday, December 15). Each meeting will last about an hour, and childcare is provided. There are NO FEES to join the PTO at Moye, so every parent is considered an official member. We value any and all opinions, insights and ideas that you'd like to share and hope you'll join us.

Can't attend meetings? Don't worry! There are plenty of opportunities for you to help at Moye. I've already listed several events where we need volunteers. Not sure where you fit? Let us know where your interests and talents lie, and we'll do our best to lead you in the right direction. There are also descriptions on our website (www.MoyePTO.com) and on our bulletin board (in the hall across from the main office) describing each of our committees. No job is too small. We encourage you to consider the many possibilities and find a volunteer opportunity that works for you. The PTO will be asking for volunteers, donations, and participation throughout the year. Our calendar has a variety of fundraisers and events. Don't be offended by our many requests - we are supporting a school of over 600 students - and need the help of many to keep our programs alive. If you have the time and talent we need, please consider helping. We do this for the kids, and they are worth it!
