

2nd Grade

Currier & Ives: "North American Indians"

Project: Sand Picture

Materials:

Colored sand (make before class day... 1/2 cup salt with a couple drops of food coloring combined in a Ziplock baggie)

Gel Glue

1/2 sheet Card stock

Pencil

Pans (1 per sand color...from home)

Ziplock baggies for transport home

Process:

1. Students draw simple design on card stock using pencil.
2. Trace drawing with gel glue where they want first color of sand.
3. Place drawing in pan and sprinkle with colored sand, shake off excess.
4. Repeat for each sand color.
5. Dry and transport home in Ziplock bags.
