

1st Grade

El Greco: “View of Toledo”

Project: Chalk or oil pastel drawing

Materials:

Black construction paper
Chalk —or—oil pastels
Hair spray (if using chalk)

Process:

1. Students draw a landscape scene on black paper with chalk or oil pastels. If possible, encourage them to draw “to scale.” For example, draw trees closer than a house, which may be in the background.
2. If drawing with chalk, use hair spray to set so that chalk doesn’t smudge.
