

Third Grade

George Inness: "Etretat"

Project: Landscape

Materials:

Water color paper  
Chalk  
Tissues (1 per student)  
Water color pencils with brushes  
Cups of rinse water  
Hairspray

Process:

1. Scribble with 3 colors of chalk
2. Blend chalk with finger wrapped in tissue; whole page should be lightly covered with chalk/blended chalk.
3. Draw landscape; cliff, trees, water, etc.
4. Paint over pencil with wet brush.
5. Spray with hair spray to avoid smudging.
