

## **Wassily Kandinsky**

(also known as Vasilij Kandinskij, Vasilii Kandinskii, Vasily Kandinski)

Born on December 4, 1866 in Moscow into a merchant family.

The concept that color and musical harmony are linked has a long history, intriguing scientists such as Sir Isaac Newton. Kandinsky used color in a highly theoretical way associating tone with timbre (the sound's character), hue with pitch, and saturation with the volume of sound. He even claimed that when he saw color he heard music. Kandinsky continued to paint until his death on Dec. 13, 1944.
