

Fourth Grade

Georgia O'Keeffe: "From the Lake No.1"

Project: Abstract Drawing

Materials:

Envelopes with clear window (1 per student): cut so that about ½ inch of envelope surrounds window, disregard rest of envelope

Magazines

Oil Pastels

Colored construction paper

Tape

Process:

1. Have students place window over picture from magazine that will allow them to create an abstract picture. Tape window on this section to guide their drawing.
2. Enlarge the image in the window to cover construction paper.
3. Blend colors with finger.

Note: Could use crayons on white Xerox paper instead of oil pastels; however, there would be not blending step.
